*You're in for a sweet treat! Cupcake Battles is back! In this high energy week long battle, campers will be divided into teams to compete in the ultimate baking experience. Each day, teams will be given a new challenge to complete before the time is up! All campers will have the opportunity to design, bake, create, and decorate their very own cupcakes. Our resident judges will critique each day's creations and award points for both presentation and taste - the team with the most points at the end of the week becomes our new cupcake champions! Weeklong campers will take home a recipe book at the end of the week. Please come dressed in clothes that can get messy in our kitchen! Bring a bathing suit and towel for water activities on Friday.*

**Monday: MONSTERS** It's time to meet our teams! Campers will be put into their week long teams, and together they will create a team name and poster that will hang above their personal kitchen area. Campers will also be designing aprons that they will be able to wear in the kitchen for the week. Then it's time for the first challenge! Today our teams will use their imagination to create cupcake monsters!

**Tuesday: INTO THE WILD** We're getting a little wild today! Today is all about animals and their habitats. From marshmallow polar bears to Oreo penguins, our cupcakes are sure to be both delicious and adorable! In addition to our cupcake challenge, we will also be creating a fun bird feeder to help feed some of our hungry outdoor friends.

**Wednesday: DISNEY** Princess or pirate, hero or villain, campers are sure to find a character worthy of a cupcake in today's Disney challenge! We've had campers create everything from Minnie Mouse to Simba to Aurora's spinning wheel. The possibilities are endless, and we can't wait to see how creative our teams will get with today's challenge!

**Thursday: OUTER SPACE** It's double challenge day! Before getting started on our cupcakes, teams must first complete the Secret Recipe Baking Challenge! As soon as campers successfully create their secret recipe, they will begin to design a space-themed cupcake. We're thinking rocket ships, aliens, UFOs, planets, stars, and beyond! These cupcakes will be out of this world!

**Friday: UNDER THE SEA** Brown sugar beaches, blue icing waves, gummy ring inner tubes. It's water day, so what better time to create beach-themed cupcakes? In their teams, campers will use their imagination to design cupcakes that will make our judges believe they are on vacation on a tropical island, or maybe exploring on a ship at sea. After they complete the day's challenge, our judges will tally the points and award our week long winning team! Afterward, we will all celebrate by having some fun in our inflatable water parks! Today is water day so come prepared by bringing your swimsuit, a towel and apply sunscreen!
