How many dolls can say they have been to camp? Bring your doll with you to American Doll Camp and get ready for a day full of fun. This week we will foster imagination and creativity by providing plenty of group play time for your girl and her doll! The campers will explore different stations of play, from hair salons, babies, cooking, housing, and much, much more! We will get our dolls in on all the action by creating outfits and accessories to take home with us for our dolls to use every day! From creating to playing, baking to making, there is so much to do each day that you and your doll will leave with memories of laughter and fun. If excitement with your doll is on your agenda this summer, then sign up for American Doll Camp and get ready for an American adventure. Bring a bathing suit and towel for water activities on Friday.

Monday: FUN WITH FOOD Welcome to American Doll Camp! We will start out our week by making a variety of food, kitchen items and cooking equipment for our dolls to take home with them! Our dolls will enjoy and craft their very own sweet treats to munch on. We will even make our very own yummy treats to enjoy ourselves! We will use the items we make today during playtime and games! Don't miss out on all the awesome fun and delicious snacks!

Tuesday: LEARNING IS FUN Bring your dolls and get ready for a day of excitement! We are going to set up our very own Stars & Stripes Learning Academy! It's time for our dolls to take part in making their own school supplies and everything necessary needed for a complete classroom! Our dolls will be starting out the school year in style with all of their new accessories. We will play fun memorization games as well as classic schoolyard games! Come to Stars & Stripes where we make learning fun!

Wednesday: EVERY DOLL IS A SUPERSTAR Today we are celebrating all things glamorous! If you love style and spa days, then this day is sure to knock your doll shocks off. We will visit the Totally Rockin' Beauty Salon to get our hair done and adorn ourselves with sparkly glitter tattoos! Each doll will leave in a fabulous new dress. The day wouldn't be complete without spending snack time having our very own tea party! We will explore all kinds of fashionable outfits and hairdo's during playtime with our dolls! This day is sure to be a hit!

Thursday: BEING ACTIVE WITH OUR AMERICAN DOLLS We are going to move our bodies and have fun with our dolls! The day will be spent making our way through fun obstacle courses before letting our dolls take a turn at all the stations! We will be using our dolls to help us be active and learn how fun it is to exercise! We will be making our dolls their own workout equipment (like their very own jump ropes) and will be learning some fun jump rope tricks ourselves. Get ready to move and groove and have a blast!

Friday: JUST ANOTHER DAY AT THE BEACH Today we are going to have fun in the sun here at Stars & Stripes! We will play bingo, limbo, and lots of fun beach games! There is so much in store for you and your doll. We will play, dance, and have the time of our lives on the water slides! We will have access to squirt guns and sidewalk chalk, bubbles and balls. Everything fun about summer will be found right here! Please bring your swimsuit, towel and apply sunscreen for some water time fun.
