**Artillery: CHECK... Ammunition: CHECK... Plan of attack: CHECK**

*All that is missing is you, ultimate warrior! Your child's excitement will not be contained during our Foam Blasters Extravaganza: featuring tactical training, team building games, target practice and adventures through our geometric maze. Campers will get to work in teams and as individuals to help enhance their training skills. We will be using mats that allow campers to create the ultimate forts and hideouts. We will provide some blasters for use and bullets, but to enhance the fun please bring your favorite blaster to camp. Bring a bathing suit and towel for water activities on Friday.*

**MONDAY: MAY THE BEST TEAM WIN** Campers will be divided up into teams and get to work together to come up with the ultimate team name. They will begin with lots of team building activities such as mission impossible and tug of war. Each team will be assigned a color and will get to design team hats to wear during our battle. The teams will then get to use the mats to build the best fort they can, which will be used as their safe zone during our battle.

**TUESDAY: EVERY WARRIOR FOR THEMSELVES** Warriors are on their own today! They will have to use their speed and warrior tactics to gather up as much artillery and ammo as they can. We will play that famous and favorite game of hide n' seek, warrior style. Today's campers will remain as individuals and fight their own battle. Game on!

**WEDNESDAY: TARGET PRACTICE** How good is your aim? Today is all about target practice! Campers will get to use the artillery pieces to try and hit various types of targets. We will hang up different sized Hula Hoops and aim our shots through them. We will also paint targets on the windows and see who can hit the bullseye. These are just a few of the types of targets we will use for target practice. Lastly, campers will make their very own hanging target that they can take home to help them continue to practice their aim.

**THURSDAY: EVERYDAY HEROES** Today campers will work in teams to fight crime, hero style. We will play a game of 'cops and robbers' where the cops must stop the robbers from stealing all of the hidden jewels. Each camper will get rewarded with a "Hero Style" celebration of sparkling cider and cookies. Lastly, campers will be making camouflage bandanas to wear for Friday's Ultimate Warrior Day.

**FRIDAY: ULTIMATE WARRIOR & SUPER SOAKERS** Time to gear up and get our camouflage on! We will put on our newly made camouflage bandanas and use war face paint to complete our look. These ultimate warriors can remain as individuals, partner-up or team-up, the decision is theirs for today's warrior games. We will work on our sniper moves hitting far, moving targets and try to find our way through the giant maze. Today is sure to be filled with tons of excitement including outdoor water fun with our inflatable water slide and water soakers. Please bring your swimsuit and towel today!
