

# Stars & Stripes Travel the Globe 2017 Camp Spotlight

July 24-28, 2017 8:30-12:00pm

(Ages 6-11 yrs.)

Day \$33 Week \$127

*Calling all world travelers! Does your child dream of traveling the world? Are they fascinated by other cultures? Then bring them to our Travel the Globe Camp where we will use our imaginations and travel around the world to discover and learn about some of the most exciting destinations. Week long campers will receive their own passport that will be stamped for each country that we visit. We will also craft our own mini suitcase that will be filled with fantastic artifacts and souvenirs that we collect throughout our travels. Campers will learn a little bit about each country and some of their traditions, languages they speak, cuisine they enjoy and sites visitors love to see. Travel the Globe Camp is sure to be both a fun and educational experience. Bring a bathing suit and towel for water activities on Friday.*

**Monday: FRANCE & GERMANY** We will start our week off by getting our picture taken for our very own passport that we will take with us everywhere we travel. Today we will be visiting two countries: France and Germany. In France we will be going to Paris to make two versions of the Eiffel Tower - one of them will be edible! Next we will be celebrating Kids Oktoberfest in Germany. At Oktoberfest we will do barrel races and dance the "Vogeltanz". This festival will be rolling with laughter and good food.

**Tuesday: CHINA & EGYPT** Time to pack our bags and head over to China and Egypt! Today campers will learn about the cultures' language, food, and fun little facts, which will give the campers a better understand of each culture. We will grab our passports and travel to China first. In China we will visit the Great Wall of China and even build our own Great Wall. Campers will get the chance to try and master the chopsticks. In Egypt we will learn hieroglyphics and write our names using the ancient alphabet. We will end the day with an archeologist dig and camel races.

**Wednesday: SOUTH AFRICA** Grab your binoculars and hat and hop on into the Jeep because we are going on an African Safari! Today is all about South Africa. We are going to explore the nature and animals in the Kruger National Park in South Africa using our battery-powered Jeeps. Campers will get a great idea what it would be like to go on a real African Safari. Our African adventure doesn't stop there. We have some great games prepared and there will even be time to make some edible zebra tails!

**Thursday: ITALY & MEXICO** Ciao Campers! First stop today is Italy where we will craft our very own Leaning Tower of Pisa. After we sample the local delicacy we will travel to Mexico. We will make our own maracas and then play some fun rounds of Loteria, Mexican Kickball, and Taco Battle. The day will end with our campers jumping like Mexican Jumping Beans!

**Friday: AUSTRALIA** Welcome to the Outback mate! Campers are going to spiral into tons of fun as we visit the Outback. We will learn how to throw boomerangs and look out for exciting wildlife. Campers will learn a few Aussie words and play lots of games using our body boards. What a perfect country/continent to visit on water day! We will spend the end of our day in the inflatable water park pretending to be snorkeling in the Great Barrier Reef and surfing the coasts of Australia. Please bring your swimsuit, towel and apply sunscreen for some water time fun.
