

Stars & Stripes Safari Preschool 2017 Camp Spotlight

June 19-23, 2017 8:30-12:00pm

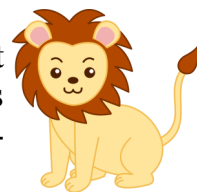

(Ages 3-5 yrs.)

Day \$33 Week \$106

Get your cameras and binoculars ready! This week your child will go on an expedition to learn about animals of the African jungle and savannah. Your child will explore fun African animals and see what it would be like to live in the jungle as we play interactive games, activities, and make unique crafts. We will also be going on our very own pretend safari. On Friday we will wrap up our week with a water day, so bring your bathing suit for tons of fun! Welcome to the jungle!

Monday:

Get ready to get a little wild as we kick off our safari camp! We will start by finding out what your child already knows about the jungle. We will surely have tons of ideas from campers about the animals that live there. We will start our week with an awesome lion craft, a scavenger hunt, and more!

Tuesday:

The second day of camp will be just as fun as the first! Today we will talk about giraffes as we make a cool giraffe to take home. Then, we will see if we know what kinds of babies each jungle animal has as we match the mother animals to their babies. Our campers will have to be on their toes today as we play games like charades, BINGO, and more!

Wednesday:

Today we will play with some of our slippery reptile friends ... snakes! We will get a little messy as we explore snakes in slime and talk about what other creatures live on the jungle floor. Then, we will do some fun activities like an animal matching game! Our crafts will all be different today, as each camper chooses what type of jungle animal hat they would like to make. It will be a super fun day!

Thursday:

It will be another exciting day of animal exploration as we talk about what we would need to visit the jungle or savannah ourselves! Campers are sure to need binoculars to spot the animals up high, so we will be making our own special binoculars as a craft. Once we are ready to explore, we will have a parade and try to spot some jungle or savannah animals at Stars & Stripes! We will also be playing some awesome animal-themed games. Come check it out!

Friday:

Get ready for a fun day filled with animals and water fun! We will start off the day with a funny jungle book. Then, we will make feather parrots and have our own "peanut" relay race to test our camper's skills. Today is water day so come prepared by bringing your swimsuit, a towel and apply sunscreen! It's going to be a blast!
