Day \$33 Week \$134

Campers will have a blast becoming official Scooby-Doo Detectives during their week at Scooby-Doo Mystery Camp. Campers will go through detective training and learn to increase their observation skills. Their new found skills will be needed when they solve the biggest mystery EVER! Who took Scooby-Doo? It will be up to our campers to narrow down the suspect list and rescue Scooby! Once the mystery is solved we will enjoy a day in the sun. Bring a bathing suit and towel for water activities on Friday.

Monday: DETECTIVE TRAINING Welcome to the coolest mystery crew around. Scooby campers will start today with an exciting Scooby bone hunt. There are a variety of activities planned to aide the campers in honing their detective skills. The campers will need to solve a mini caper to help them prepare for the BIG mystery coming Wednesday. We will even have fun with fingerprints!

Tuesday: I SPY SCOOBY I Spy games are fun with surprises for everyone. We have taken the classic I Spy games and put a Scooby twist to them. Campers will have one exciting game after another to play. Today will be fun and challenging for our Scooby-Doo Mystery Campers. We will still have time for a craft or two!

Wednesday: SCOOBY-DOO, WHERE ARE YOU? Scooby-Doo has been dog-napped from right under our noses! It is up to the campers to use reasoning and logic to decipher the first hint and begin solving this case before the clock runs out. It's a good thing Scooby-Doo Mystery Inc. has the best detectives around. We have a list of six possible suspects. Can we narrow down the list today? Was it the Spooky Space Kook, the Ghost of Mr. Hyde or the Ghost Clown? Maybe it was the Headless Specter or the Puppet Master Phantom, or maybe it was the No Face Zombie. We can't wait to find out!

Thursday: FOLLOW THE CLUES Things are really starting to get spooky around here. Who dog-knapped Scooby? Which one of our suspects can it be? I hope we find out soon! Whoever it was is playing tricks on us. Campers will follow today's clues that will lead them on a brave hunt throughout the Stars & Stripes grounds. Where can we possibly find the next clue? Will we have to venture into the forest or explore down by the pond? We will have to wait and see. Campers will also get to make a very yummy Scooby snack!

Friday: MYSTERY SOLVED! It's our last day to find Scooby-Doo. Let's hope we can solve this mystery before the day ends. We will spend today finding and solving the last clues of the biggest, most important mystery ever. Let's hope we can find Scooby-Doo before it's time to enjoy all of the fun in the sun. We will play beach ball games, get messy, splash around and much more! Go Mystery Inc. Go! Please bring your swimsuit and towel for some water time fun.
