*Yee-haw! Giddy-up partner! We've got to get this wagon train a-movin. Head on over to Stars & Stripes Toy Story Camp. Come join Woody, Buzz, and the gang for a week filled with imagination, adventures, crafts and games! We have some exciting games ready for the little buckaroos, such as Snake in my Boot, Rex Stomps, Woody's Lasso Toss, Paratrooper Drops & Army Men Hide n' Seek. We also have some tasty Toy Story treats planned, such as Buzz Lightning rods and Alien Cookies! Be sure to send all the little Space Rangers with a bathing suit and towel on Friday for some water fun.*

**Monday: Woody** Today we will focus on the dependable Sheriff Woody. He is known as a strong leader who ensures that no toy gets left behind. We will start the day off by becoming honorary sheriffs with our bandanas and badges. Woody will then lead us on some exciting adventures! Hang onto your hats buckaroos as we play There's a Snake in My Boot, Woody's Lasso Toss and Pass Bullseye. We will also have a mystery on our hands with clues to solve. The day wouldn't be complete without some bouncing, crafting and more playing!

**Tuesday: Buzz Lightyear** Attention fellow space rangers, get ready to go "To Infinity and Beyond!". Our day is designed around our favorite space ranger, Buzz Lightyear! We have parachute games with asteroids, Spaceship Rice Krispie treats, search for Aliens, Blasters and Balloons, Catch Emperor Zurg, and so much more. Campers will even design their very own rocket ship! We have a lot of fun packed in just three and a half hours!!

**Wednesday: You've Got a Friend in Me** Today we get to do a variety of activities that include different Toy Story friends. We will help Little Bo Peep find her sheep, play What Time is it Slinky Dog? and play Army Men Hide n' Seek. This is only a sample of some of the incredible activities we have in store for our friends. Oooooooh, the day wouldn't be complete without the The Claw and the little green aliens who will make an appearance in the form of a delicious food craft.

**Thursday: Mr. Potato Head** Mr. Potato Head was sooo excited to have his very own day that he burst with joy and all of his parts went flying. We will need the help of the campers to find his parts and put Mr. Potato Head back together again. Then we will have a potato sack race, make a Mr. Potato Grass Head, and design our own Mr. Potato Head. There will also be some Buzz, Woody, and Rex games to round out our fabulous day. We are going to have a spud of a good time!!

**Friday: Toys, Sun & Fun** What a great way to end the week! Who doesn't love toys, sun and fun? We will start the afternoon out with some Buzz Lightyear take-off practice. Then we will head on over to the kitchen to make some Buzz Lightyear pretzels. After we complete a fun craft it will be time to put on our swimsuits and head outside. There will be water balloons, beach ball games, and of course the inflatable waterpark. Please bring your swimsuit and towel today!
