

# Stars & Stripes Tween Designs 2017 Camp Spotlight

July 31-Aug. 4, 2017 8:30-12:00pm

(Ages 8-12 yrs.)

Day \$33 Week \$127

*Everyone is into DIY projects lately, and so are we! In this crafty camp, we will be creating everything from jewelry and accessories to locker essentials and bedroom decorations, and so much more! Each day will give campers the opportunity to use a variety of materials to design and create one of a kind projects to use every day! Grab your creativity and imagination and join us as we pull out our craft supplies and get to work! If you're a tween, this camp is for you! Bring a bathing suit and towel for water activities on Friday.*

**Monday: COLOR** Get ready for a colorful day, it's time to experiment with all sections of the color wheel! Today each of our projects will revolve around our use of color - in any way you like! Whether you decide to use two colors or every color of the rainbow, today's designs are sure to be beautiful, fun, and bright!

**Tuesday: PATTERNS** Spirals, waves, zig zags, shapes, spots, stripes. Today we will use patterns in a variety of ways to create our own very unique designs. Our projects will include everyday items we can use at home, as well as decorative pieces. It is sure to be a fun time as we experiment with our imagination.

**Wednesday: STYLE** Today is all about each camper's unique sense of style! One of the coolest things about DIY projects and arts & crafts is that each piece is individual and one of a kind, depending on it's creator! Today we are creating different projects that will allow campers to design according to their own special and distinctive style.

**Thursday: JUST FOR FUN** When it comes to arts and crafts projects, there is so much more involved than the finished product. What we design may be useful or perfect for decoration when finished, but the process is just as fun! Today we are also getting creative in designing pieces for a game that can travel with us wherever we go!

**Friday: SAND AND SUN** It's water day and we're diving into the sand and sun with today's crafts! Get ready to use sand as a creative tool today as we kick back and soak in the sun. We'll be taking our artistic innovation outside as we wrap up our week and complete our final masterpieces outside. Please bring a bathing suit and towel for some fun on our inflatable water slides!
