

# Stars & Stripes Big Wheels Keep on Turning 2017 Camp Spotlight

June 19-23, 2017

8:30-12:00pm

Aug. 21-25, 2017

8:30-12:00pm

(Ages 3.5-5 yrs.)

Day \$33 Week \$113

*The wheels keep on turning here at Stars & Stripes as we roll around on our balance bikes, scooters, and Jeeps! Your child will gain balance, control, coordination, and self-confidence as they cruise over ramps, through tunnels, and navigate obstacles. Campers will be presented with new challenges and courses each day, and will have the opportunity to show off all their new skills in a performance at the end of the week. We will provide the wheels, but participants are required to come with their own protective gear (helmets, wrist guards, elbow and knee pads). Bring a swimsuit and towel for water activities on Friday.*

**Monday: SAFETY DAY** We will start our week off right by exploring all the aspects of safety using our balance bikes and scooters. From giving our rides a safety check to helmet inspection, we will learn how to stay safe while having a great time! Campers will then be able to explore how fun it is to ride together with the other campers while participating in a “Let’s Ride Challenge” and a “Slow Race.” They will also design their own license plate to put on their wheels for the whole week. Then we will finish the day with a balancing challenge! *(All campers must bring their own helmets.)*

**Tuesday: OBSTACLE COURSES** Today our campers will be able to tap into their creativity when they get to design their own “crazy cool” obstacle course! We get to use sidewalk chalk, mats, blocks, cones, swim noodles, and ropes to come up with the craziest course ever! *(All campers must bring their own helmets.)*

**Wednesday: RACE TIME** Now that we are comfortable with our rides, we get to have a friendly race! We will warm up our skills by weaving in and out of cones, practicing tight corners, and working to gain speed. Campers will also be challenged to the “Stop on a Dime” game. After that, we’ll get ready to race! *(All campers must bring their own helmets.)*

**Thursday: BIG WHEELS SHOW** Today we will be breaking out the streamers and decorating our rides! We will create posters to invite other camps to come see our Big Wheels Show! Our show will be full of our favorite and most impressive tricks and skills, complete with obstacles designed by the campers themselves! *(All campers must bring their own helmets.)*

**Friday: WATER FUN!** We get to use a new surprise set of wheels today - the Power Wheels Jeeps! We’ll take some time to go off-roading, and maybe even get a little wet. What better way to finish an exciting week of camp than to cool off in our very own bike/car wash! After our rides are good and clean, we will enjoy some time on the inflatable waterslides! Today is water day so come prepared by bringing your swimsuit, a towel and apply sunscreen! *(All campers must bring their own helmets.)*
